

SQUARE DANCING

Add a word to complete the familiar "and" phrases in the word list (as in BREAD and BUTTER). As a solving aid, the list is in alphabetical order by the missing parts. Then look for the first word in the top grid and the second one in the bottom grid. Words are hidden horizontally, vertically, and diagonally, and always in a straight line. If you get sick and tired of guessing, turn to the word list here or the answer here.
